SECRETARY.
3 APR. 1937

SIR,

Re. S. No.12 of Nagalmadike Village in Pavagada Taluk endowed to Sri Subrahmanyaswami temple at the place.

I have the honor to forward herewith a copy of letter No. M.317/35-36 dated 20-10-1936 from the Deputy Commissioner, Tumkur District, and the file of correspondence relating to the above subject, and to state as follows:-

2. It was noticed during the audit of the Muzrai accounts of the Pavagada Taluk that original S. No.12 measuring 24 acres and 32 guntas was and endowed to Sri Subrahmanyaswami temple at Nagalmadike as devadaya inam as per original survey records had been left out in the Re-survey records.

3. On investigation of the matter, it is found that this inam land which was in the possession of the archak of the temple was relinquished by him absolutely in favour of Government in 1882 and the resignation was accepted the land being shown as Sirkari assessed land in the accounts. It was obtained on darkhast by one Somappa in 1886.

4. This land was split up into 2 Survey Nos., i.e., 15 and 16 in the Re-survey and one of the Survey Nos., i.e., 15, was sold by the khatedar to one Sri Sailappa whose son is enjoying it at present. The other land, i.e., S. No.16 has been in the possession and enjoyment of the khatedar, Adinaranappa.

5. The Superintendent of Land Records, Survey and Settlements who was requested to state with reference to inam records if the land was still being shown as inam and if the relinquishment in 1879-80 was not without prejudice to the temple owning it as Sirkari land, states that there is reference to show that the inam land was resumed to Government owing to resignation and that the inam ceased long back. A copy of his letter is enclosed.

6. It was wrong to have accepted the resignation of the land by the archak in 1882 and as they have changed hands and have been in possession of other persons for a long time, the Deputy Commissioner states that their restoration as inam to the temple at this distance of time is not possible.

7. I request, in the circumstances, that the inam tenure of the land may kindly be ordered to be cancelled.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.M.313/35-36 dated 20th October 1936 from the Deputy Commissioner, Tumkur District, Tumkur, to the Muzrai Commissioner in Mysore. Bangalore.

Resumption of Inam lands S.Nos.15 and 16 of Nagalmadike village, Pavagada Taluk, endowed to the temple of Sri Subramhanyaswamy at the same place.

I have the honor to state that the two lands mentioned above are at present found to be Sircar lands in the enhoyment of Adinaranapp and Shrishylappa respectively, but they both constituted S.No.12 during 1879-80 (particulars are noted in the margin) which was an Inam land endowed to the temple. The discrepancey between the Village Accounts and the Revised Quit Rent Register of 1929 was noticed during the course of Muzrai Audit and action to set the matters right was taken.

S.No.12 dry 24 acres 32 guntas in extent assessed at Rs.4/- Nirsardi Rs.6/-. The temple has got another land as Inam S.No. 2 which finds an entry in the Quit Rent Register and is in the actual enjoyment of the temple.

The present occupants of the lands were called upon to restore the lands to the temple within a period of six months from the date of service of notices on them, in accordance with the provisions contained in the Religious and Charitable Institutions Regulation of 1927. Non-compliance was pleaded in view of the fact that theentire land was purchased by the father of Adinaranappa in a Darkhast sale so far back as 1890-91 for a sum of Rs.40/- and that a portion of the same land (the present S.No.15) was gifted away to Shri Shylappa and others, when Adinaranappa's father died.

The khetwar extracts of 1879-80 go to show that the then Anubhavadars of the land Papabhatta etc., relinquished the same absolutely and the land was brought under assessed waste. Shamappa father of Adinaranappa is found to have got the land during 1890-91 as it stands in his name in the khetwar of that period. The previous records and the darkhast register relating to this period are not forthcoming nor does Adinaranappa the present holder possess any references to show that the land was taken up by his father in a darkhast sale.

It is reported that the acceptance of the relinquishment during 1879-80 was wrong. The land was treated as Sircar in the Survey Accounts in 1880-81. The lands have since changed hands and have

been

been in the possession of several persons as Sircar land. Their restoration as Inam to the temple at this distance of time does not seem to be possible. The entire vernacular file of papers is herei enclosed.

For Muzrai Commissioner.

Letter No.144/36-37 dated 22-2-37 from the u en
rvey and Settlements in Mysore, to the Muzrai Commissioner in Mysore.

With reference to your letter No.498/36-37 dated 5th December 1936 enquiring whether original Survey Number 12 of Nagalamadike village. Pavagada Taluk, is still being continued as Devadaya Inam land to Sri Subrahmanyaswami temple at the place, and if not, whether the alleged relinquishment during 1879-80 was not without prejudice to the temple owning it as Sirkari land, I ve the honor to forward herewith an extract from the Excess Iharav Patrike containing an entry in the following terms:- "

It will be seen from the above that the inam tenure ceased long back. the absence of the records leading to the Razinama, this office is not in a position to express any opinion as to whether the relinquishment was limite to the inam tenure only or extended to the absolute right to the land as well

The enclosures to your letter are returned.

in the Re- Survey. ~~Out~~ Survey No 15 was sold by the Khatedar to one Sri Sailappa whose Son is said to be enjoying it at present and S. No. 16 has been in the possession of the Khatedar Adinaranappa

The Superintendent of Land Records Survey and Settlement appears to have stated that there is no M.C. has to show that the inam land was resumed to Govt owing to resignation and that the inam ceased long back.

The Deputy Commissioner of the District states that, as the lands have changed hands and have been in possession of other persons for a long time, their

restoration as inam to the temple, at this distance of time, is not possible. In the above circumstances the M.L. recommends the cancellation of the inam tenure of the lands in question.
